FOREWORD

In the bewildering strangeness of "The World of Tomorrow" may this SOMANHIS serve to recall to us the happy, familiar scenes of our high school years.

DEDICATION

When Byron writes the
"ode to the Grecian Urn"
I'll forget the class of 39B
and my friend - Allen.

Helen J. Estes

The classes of 1939A and 1939B
present their yearbook to Miss
Helen Estes mindful of benefits re-
ceived through her inspiring person-
ality and sympathetic friendship.
They gratefully realize that she has
done much to enrich their youth
and to prepare them for their
"World of Tomorrow."

MANCHESTER ALMA MATER

Manchester, Alma Mater,
All hail, all hail to thee!
Thy precepts e'er shall guide us
Onward to victory.
Thy sons and daughters ever
Thy praises loud shall sing.
Manchester, Alma Mater,
Accept our offering.

We love thee, old Manchester
And, for the red and white
Where e'er life's battle finds us,
We'll always win the fight.
We'll ever guard thy honor;
Bright shall thy mem'ry be.
Manchester, Alma Mater,
All hail, all hail to thee!

CLASS SONG OF 1939A

We've had each other's friendship
For several happy years
And now our future widens
As destiny appears.
She beckons us serenely
And looks us thru and thru
To see if we have courage
To aid us to prove true.
We hope that we shall credit
As years pass swiftly by
Our teachers and our classmates
And our Manchester High.
We know that our Creator
Will guide our happiness
So forward to new conquests
We march to our success.

Words and Music by
Gertrude Herrmann.

CLASS SONG OF 1939B

Our Ships have sailed their courses
To the goal of high school days.
We've reached the waiting harbor
And the parting of the ways.
We turn our eager gazes
Where blue sea meets the sky,
Our way lies out to waters deep
Far from Manchester High.
Sailing through storm and sunshine
Four years have swiftly sped
As teacher-pilots faithful
Have guided us ahead.
To prove the trust they've given us
We promise we will try
To steer our vessels straight and true
For old Manchester High.

Words by Peggy Woodruff.

MUSIC

Due to the large turn-out for the choruses, three groups were formed. A Cappella Choir No. I, A Cappella Choir No. II, and the High School Chorus. An orchestra and band have also been busy supplying the school with music.

The Christmas season afforded the music department with an opportunity to culminate their efforts in public. The choir, chorus, and orchestra presented a concert,

the A Cappella Choir No. I gave a fifteen minute radio program, and presented a program for a local club.

The School was well represented in the Spring Festival and C. C. I. L. concert by all sections.

This year, for the first time, experiments were made with student conductors. A few appeared in public but the rest experimented privately.

In December, several members of the organization presented a Christmas play for the Business and Professional Women's Club.

At its annual public performance the club gave three one-act plays and a three-act play called "Heliotrope," which was a success. The club also gave a Christmas party for the Business and Professional Women's Club.

For its major production this year, Sock and Buskin, the Junior-Senior dramatic club, presented successfully "The Black Flamingo," a three-act play, coached by the faculty advisor, Miss Helen Page.

A group of girls under the direction of Miss Emma Lou Kehler, a member of the club, gave several performances in poetic dancing. They exhibited this novel form

of dramatics in an assembly program which was combined with a group of choral speakers. "Winsome Winnie," a melodrama, was also included in this assembly, given May 25.

The activities of the year were concluded by the annual Sock and Buskin Initiatory Dance held at the Country Club.

Crafts, as well as fine arts, was made a main consideration of the Art Club this year when the club was divided into two sections, "Fine Arts" and "Crafts."

Each member of the "Crafts" division has emerged from meetings with several articles of his own construction, either leather, metal or wooden. The knowledge with which to make others is also theirs.

The "Fine Arts" division continued its study of art. Members derived much pleas-

ure and satisfaction from the added time and resources which activities of the club permitted.

The social life, in which the combined groups participated, as well as the actual work of the club was ably directed by Miss Hope Henderson.

The club enjoyed a sunrise hike, an exhibition, a tea, and several parties to round out a successful season.

FRENCH CLUBS

The aim of the three French Clubs has been to promote an ability to converse freely in the French tongue, to gain a keener knowledge of French influences, and to create a lasting appreciation for all that the French offer us in art, literature and science. The clubs were under the direction of Miss Low, Miss Todd, and Miss Kibbe.

The Junior-Senior French Club and

two Freshman-Sophomore Clubs have had a most successful year. French games, songs, a study of Canada, and viewing French slides have been some of the club activities for the past year.

Two joint meetings of the three clubs were held during the year, one at Christmas time and the other when Miss Low showed the moving pictures she photographed in France, England, and Connecticut.

GIRL RESERVES

The Girl Reserves entered into a particularly interesting season with their bi-weekly meetings early in September. The girls found deeper understanding of their purpose and code "Find and Give the Best" and "Face Life Squarely" in the programs which were prepared by Miss Harriet Campbell of Hartford and the faculty advisors, Miss Casey and Miss Kelloag.

At the beginning of the year, the club

divided into two groups—"dramatic" and "star-gazing." The dramatic group presented a very lively play for the benefit of the rest of the club at the termination of their study.

A masquerade, an annual Kiddies Christmas Party, the banquet, a new feature with the club, and a style show completed the program of fun and education.

COMMERCIAL CLUB

Demonstrations, movies, question bees, exhibits, and a play were included among the programs presented to its members by the Commercial Club of 1938-39. Each commercial teacher sponsored two programs.

Mr. Baxter, of the Felt and Gerant Company, gave a demonstration and talk on comptometers, and Miss Stella Willins,

world's fastest woman typist, also gave a demonstration of her work.

Conferences were held with the personnel directors of Hartford insurance companies.

The second annual exhibition of commercial work, in which all commercial classes took part, was held in May.

DEBATING CLUB

First Row: F. Cude, L. Str., B. Torrance, Mr. Dougherty, B. Vendrillo, V. Fiato, N. Fike
 Second Row: J. Sullivan, F. Godfrey, R. McCormick, E. Buckland, A. Werbner

The Debating Club started its practice in October, all members of the club taking part in the inter-club debates held every two weeks. The year's work, which was planned as a study course in international relations, gave background for the national scholastic topic. Resolved: That the United States should establish an alliance with Great Britain. A great amount of study value was gained by the club members.

On January 28 the club took part in the Hartford Public High School debating clinic, meeting New Haven Commercial High School on the negative and affirma-

tive of the national topic. This was a no decision debate. The state debate elimination began on March 22. In Manchester, Manchester affirmative versus Windsor negative, 3-0. In Putnam, Manchester negative defeated Putnam affirmative. Manchester won both of these debates, thereby advancing to the semi-final round. This is the first year that the team has reached the semi-finals. In one semi-final round Manchester negative defeated East Hartford affirmative, 2-1, but the school's affirmative team lost to Enfield, 3-0. Because of a tie decision, the team with the greatest number of judges' votes advanced

The Library Club was established this year and is the first of its kind at Manchester High School. Under the guidance of Miss Harriet Fox the club had a very successful year. Its main purpose was to create an interest in the library and to give those who wished an opportunity to learn more about the work.

Features of the club's activities were the hobby exhibit and colorful posters displayed in the library and around the school. Miss Smith, of the Mary Cheney Library, was an interesting speaker at one of the meetings.

During the year the club held two con-

tests. An essay contest was based on "The Citadel," and, during book week, another contest was conducted, in which the entrants discovered the identity of famous characters through the description given. A copy of Rowling's "The Yearling," was given by the Library Club as a prize in this contest.

Members have assisted the librarian. As a special project this year they have compiled a picture and pamphlet file to be kept in the library and it will be enlarged each year. The members also helped prepare cards for the card catalogue. From the small dues paid, several books were purchased for the library.

Undefeated! That was the record of Manchester High's football team during the past season. Under the expert tutelage of its veteran coach, Mr. Thomas Kelly, the team won games from West Hartford, Meriden, East Hartford and Bristol. The only thing that marred a perfect season was a six to six tie with Middletown, which, incidently, was the only time the goal line of the team was crossed all season.

At the beginning of the season it looked as though we would have only a mediocre team, but the fine cooperation and enthusiasm of both the players and the coach completed one of the most successful seasons of any football team to represent Manchester High School.

Prospects for a successful campaign this year look extremely good with nine lettermen returning in the fall.

CROSS - COUNTRY

First Row: J. Diminico, R. Daggart, D. Hearsh
 Second Row: Mr. Wigren, E. Shields, A. Litvinchik, J. McCooe, G. Krause, H. Grant

Manchester High's 1939 Cross-Country team, under the able guidance of its veteran coach, Mr. Charles Wigren, ran into heavy stalling during its past season. The team as a whole fared rather poorly in comparison with some teams in the past. Nevertheless the individual stars did very well and should be rated among the top runners of the C. C. I. L. Every runner on the team tried his best and whether first or last, all deserve a good deal of credit.

The team won its dual meet with the Connecticut State Freshmen and also the meet with Bristol, losing the remainder of the meets to Middletown, Weaver, and Hartford, placing sixth in the State Meet, fifth in the New England Meet, and third in the Connecticut State College Meet.

From this vantage point prospects look very bright since all but three of this year's team are expected to return.

SOCCER

First Row A. Roberts, G. Agostine, W. Tedford, E. Gove, W. Murray, M. Corbett, H. Valiant, A. McCruden
 Second Row Mr. Milbury, H. Davidson, J. Chalmers, E. Kennedy, L. Thurstenson, T. Conron, G. McCaughey, J. Hamilton, T. Wilson
 Third Row W. Backus, A. Lindsey, E. Scott, E. Pratt, E. Calvert, E. Bucher

The Soccer team that represented Manchester High during the past campaign won only two of nine games. Bristol and Morse Business College provided these two wins while Manchester lost to Meriden twice, South Windsor twice, West Hartford and Bristol once each, and tied one game with West Hartford.

Make no mistake, though, by judging the success of their campaign only by the

number of wins and losses, for although the team did not win as many games as might be hoped, the boys contributed their best to the success of the season. Mr. Milbury, who worked under a great handicap, coached the team untiringly and deserves a great deal of credit for the spirit of the team.

Prospects for next year are encouraging with seven lettermen returning

BASKETBALL

Coach: Mr. Clarke. Team: T. Brown, H. S. Smith, J. Murphy, F. Givella, F. Blanchard, G. Vennard, J. L. W. Moore, T. Jones, M. Martini, J. Wilson, C. Anderson, H. Holski, M. Correnti.

Manchester High's basketball team had a very successful year during the season of 1938-39, winning twelve and losing but four games.

Manchester won games from Meriden, West Hartford, East Hartford, Middletown, Rockville, Windham, and Bristol while they lost games to the Alumni, Bristol, Deering High School of Portland, Maine, and Naugatuck in the State Tour-

ament. Manchester finished in a tie with Bristol for the C. C. I. L. title.

Much of the success of the season was due to the leadership of our coach, Mr. Clarke, and to his "two team" system of alternation during the games.

Prospects for next year look fair. Only four members of this year's varsity squad will return although there is a promising group of underclassmen in training.

TRACK

First Row A. Benson, R. M. Tate, H. House, S. Cullen, F. E. Bennett, C. M. Gurnam, G. Krause, Eggleston, R. Duke
 Second Row G. Evans, J. Stamer, J. Dinning, R. Lorch, E. Snelgh, H. Sullivan, R. Duggart, D. Heatley, A. Litvinchik, B. Watkins, G. Converse, W. Grimsen
 Third Row Mr. Wigren, J. Pesik, R. Odermann, G. Smith, R. Davidson, J. Coburn, H. Whitney, E. Gavella, Midford, R. Thomas, F. Keish, H. White, R. Mallon

Coach Charles Wigren has again developed a quite remarkable track team when preliminary indications looked rather weak. The boys worked very hard during practice session and were rightfully rewarded.

The team started out with a sixth in the State Indoor Meet at Wesleyan and placed

well up in the totals at the Fourth Annual Connecticut Relays held at Storrs. In the meet with the Connecticut State Freshmen, Manchester collected 34 2-3 points to Connecticut's 65 1-3 points

Prospects for next season look only fair. None of the weight men are returning and only a few of the runners.

SWIMMING

First Row: R. Turkington, G. Wilson, W. VanCour, J. Daggart, H. Orfitelli, R. McCabe
Second Row: Mr. Gatchell, L. Kruk, P. Finkbein, M. Orfitelli, J. Hultine, A. Litvinchuk
Third Row: H. Willis, W. Joyner, R. Schaller, E. Brunette, A. Coe

Manchester High's Swimming team has completed one of its most successful campaigns in recent years; winning five and losing but four meets. Much of the success of the team is due to the expert instruction of its coach, Mr. Gatchell.

The team won meets from Weaver, Meriden, Bristol, New Haven, and West Hav-

en, losing to Hartford Public, Crosby, Bas-sick, and Connecticut State College Fresh-men.

In the State Meet at Yale the lone star was "Mike" Orfitelli who swam a close third in the 100 yard backstroke and placed fourth in the diving.

BASEBALL

First Row E. Calvert, J. Murphy, M. Correnti, H. Griswold, J. Thurner, J. Stevenson, M. Murdock, N. Kilpatrick, J. McEvitt, W. Murray, H. Valliant

Second Row Mr. Kelly, M. Davidson, A. Vincek, R. Becker, H. Smachetti, R. Helm, J. Hultine, H. Conn, E. Pratt, A. Poseik, Z. Olbert, J. Hilinski, C. Blanchard, R. McCormick, T. Cummings

Hampered by bad weather and an incomplete field, Manchester High's baseball team was forced to postpone the first three games and to cancel two others. They did manage, however, to play their

scheduled game with Middletown and won five to four.

They lost the second game to Bristol nine to four. Manchester later won from Bristol 10-2.

GOLF AND TENNIS

First Row: J. Urbanetti, K. Wigren, E. Buckland, M. G. O'Neil

Second Row: Mr. Hartwell, Tennis Coach, G. Osella, R. Peterson, S. Tedford, D. Sheehan, J. Civiello, Mr. Wright, Golf Coach

Manchester High's Golf Team has turned in some very impressive victories so far this season.

They won from Terryville fourteen to four, New Britain fifteen to three; losing to West Hartford ten to eight, and Terry-

ville twelve to six.

Manchester High's Tennis team ran into tough luck in their first two matches, losing to Middletown five to nothing, and to Bristol four to nothing.

LEADERS' CLASS

Girls' Sports

The girls' sports program this year was made up of many different activities, from folk-dancing to swimming meets. All girls' athletic events were conducted under the direction of Miss Bertha Kulberg.

After school tournaments were played by varsity teams in speedball, hockey, soccer, basketball, volleyball, and baseball. During class periods, the competition was continued between the Blue and White teams in these same sports and this year

the Blue was victorious. The annual tennis tournament was also conducted after school.

The members of the Leaders' Class were hostesses to visitors from other schools at a novel World's Fair Play Day. Several girls also attended a swimming play-day at Bristol.

The entire program for the year was highly enjoyable and extremely successful.

Folks from out-of-town making their first visit to Watkins Brothers are amazed to find such a Metropolitan store in this town. Many continue to return again and again. There is always something new to see, they say — newly furnished rooms, special settings, new styles.

As they become regular customers they tell us why they travel for miles to shop here. Parking is easier they say. Our orderly and constructive displays make for convenient and restful shopping. They like the friendly small-store service they receive from the personnel of this big store. They say our selections are complete — from the lowest priced good home furnishings to the finest. They consider us authorities on furniture periods, styles, construction, and interior decorating. Many say our prices are consistently lower.

Watkins Brothers has always been known to Manchester folks as a store that welcomes visitors. Have you been in to see us lately?
